PRESS RELEASE

FOR IMMEDIATE RELEASE

RIMFROST collaborates with G.C. Chemie Pharmie Ltd to distribute the RIMFROST SUBLIME KRILL OIL in India.

Ålesund, Norway –26. August 2014

RIMFROST is pleased to announce the collaboration with G.C. Chemie Pharmie Ltd to distribute the RIMFROST SUBLIME KRILL OIL in India.

G.C. Chemie Pharmie Ltd is an ambitious Indian pharmaceutical, Functional Food & Nutraceuticals company with decades of industry experience and functional expertise. “We are proud to be partners with G.C. Chemie Pharmie Ltd for the Indian market,” says Even Remøy, Director – Sales & Marketing for RIMFROST. G.C. Chemie Pharmie Ltd offers rich industry experience and looks beyond standard solutions to develop new insights, mobilize resources and drive tangible results. “G.C. Chemie Pharmie Ltd wants to expand the business through innovative thinking and managing various existing businesses, entering in to newer technology driven areas of strategic interest, and therefore is a natural fit for the RIMFROST SUBLIME KRILL OIL,” tells Remøy.

The partnership between G.C. Chemie Pharmie Ltd and RIMFROST will bolster the development of the RIMFROST SUBLIME KRILL OIL and introduce the best quality krill oil in to the Indian market.

RIMFROST particularly highlight their krill vessel ‘*Juvel*’ that provides the raw materials utilizing industry-leading technology with the utmost efficiency and quality. G.C. Chemie Pharmie Ltd is the perfect partner, as they believe in building long lasting, rewarding relationship with its employees and clients. They believe in a strong foundation and a higher standard of quality, trust, reliability and transparency in the conduct of the business, which leads to mutual growth. “We are enthusiastic about this new partnership. RIMFROST is one of the world leaders in producing high quality and pure (100% natural) antarctic krill oil with gentle on-board processing. Moreover, RIMFROST focuses on the entire value chain and every step of production, from harvest to finished oil, which provides 100% traceability. Not many of the suppliers can show this”, says Gautam Shah of G.C. Chemie Pharmie Ltd.

RIMFROST
KRILL COLLECTION

G.C. Chemie Pharmie Ltd will market RIMFROST SUBLIME Antarctic krill oil in the Indian market. RIMFROST and G.C. Chemie Pharmie Ltd are ready to supply the market with short lead times and with direct and sufficient availability of krill oil.

RIMFROST SUBLIME KRILL OIL

Produced by RIMFROST USA (LLC), RIMFROST SUBLIME Antarctic krill oil provides krill's omega-3 phospholipids in efficient and concentrated form. Immediate processing of raw material on-board, a cGMP facility and 40 years of extraction experience, ensures great quality.

RIMFROST takes great pride in its specialized krill-collecting vessel, 'Juvel', which operates on the Antarctic Ocean. 'Juvel' aims for low emissions, low energy use and low climate impact. The proprietary technology on-board allows minimal and rapid processing to safeguard the natural and intrinsic goodness of krill. The vessel is certified by Friend of the Sea and can guarantee 100% traceability.
